GUIDELINES AND RULES:

1. The South Florida Science Center and Aquarium has the right to deny any vendor a booth space whose exhibit, product or service does not align with the mission of the South Florida Science Center and Aquarium.

2. No lobbying, campaigning or electioneering is allowed within the Science Center grounds during the event.

3. We are a peanut free facility and the distribution of latex balloons, single use plastic straws or stirrers, and Styrofoam are prohibited.

4. All vendors must notify Kristina Holt or Nicole Afanador at least two weeks prior if they are not able to attend Archaeofest. Cancellations are difficult and we are sure that no one intentionally plans to cancel after entering into an agreement for any of our events. However, on our end, the closer we get to the event date, the more time and planning we have invested, and the more difficult it becomes for us to fill your booth space with quality artists, STEAM lovers, or food vendors.

5. Please submit application with proper documentation showing the South Florida Science Center and Aquarium as “additionally insured” by your company.

I have read, understand and agree to follow the Guidelines & Rules for the 2020 South Florida Science Center and Aquarium’s Archaeofest event as described above.
